

### **Third generation joins center...**

Joseph and Barbara Gullo, of the J.G. Universal Hearing Aids Center, Dunkirk, are proud to announce that their son, Joseph A. Gullo II has joined their office staff. Joseph, a 1991 Canisius College graduate, has received his certification from the International Hearing Society as a hearing instrument specialist. In addition to his full-time employment he is presently pursuing his master's degree in Audiology from the State

University of New York at Fredonia. Joseph II is the third generation to serve the hearing needs of western New York at the J.G. Universal Hearing Aids Center, which was founded by his grandfather, the late John P. Gullo. Joseph's addition to the office will allow J.G. Universal Hearing Aids Center to expand on their complete home hearing aid service and better serve those in the surrounding communities who may experience difficulty in getting to their office.
